

Dear Students and Families,

Thank you for your interest in Spanish International Learning!

We would like to welcome you to Spanish International Learning. We are an independent school, and serve students from: Toddlers to Pre-K (morning classes), 4 to 12 years old (after school and Saturday classes), and adult classes.

Children are encouraged to learn at their own pace and are surrounded and supported by highly qualified teachers in an exciting learning community. Through peer teaching, small group lessons, a nurturing faculty, the students gain a strong academic foundation, and become strong confident Spanish learners.

The best way to understand what SILCAG has to offer is to visit and experience the classroom first hand. While on a tour, you will be able to see the students actively engaged in lessons, hands-on experiences, and peer learning. We believe you will come to truly appreciate the process of learning a new language.

Your tour will be conducted by one of our educational Coordinator/Director who can answer any questions you may have about curriculum and student life. Come visit soon and find out why Spanish International Learning Center develops a foundation for a lifetime of success!

Sincerely,

Spanish International Learning
